Dear General Welch,

I want to take this opportunity to express my appreciation for the courtesies extended to me during my visit to Offutt Air Force Base on 26 October 1985. The extensive and professional briefings provided to me by you and your staff were quite useful. I was most honored to have had the privilege to address the 544th Strategic Intelligence Wing and to have participated in its Dining-In ceremonies that evening.

It was a most productive and enjoyable visit for me for which I thank you.

Yours,

William J. Casey
